a/ Among depository institutions and insurance carriers, many locations with activities which might in other industries be considered as support or auxiliary activities (such as headquarters operations), are included in this report as operating locations.

b/ The 1997 Economic Census is the first census to present data based on the new North American Industry Classification System (NAICS). Previous census data were presented according to the Standard Industrial Classification (SIC) system. Due to this change, comparability between census years may be limited.

c/ Establishments with payroll.

d/ Withheld to avoid disclosing data of individual companies; data are included in higher level totals.

e/ 1,000 to 2,499 employees.

f/ 25,000 to 49,999 employees.
